Education

2022 | Google UX Design Professional Certificate

2012 | King's College, London: MA Early Modern English Literature

2008 | Framingham State University: BA English, Education

Experience

2009–2022: High School / Dual Credit English Teacher

Most Recent: 2018–2022: Westwood HS / Austin Community College: Austin TX

Previous: Johnson & Wales University, Shea High School, Marlborough High School

- Designed and implemented curriculum for grades 9 through college in special education inclusion, on level, and advanced English courses
- Cultivated and managed student, parent, and professional relationships with organization, empathy, communication, and conflict resolution
- Planned and prioritized effective delivery of state and national standards with attention to differentiation and diversifying content
- Crafted and delivered content that addresses accessibility and inclusion of all learning needs
- Monitored, synthesized, and analyzed student progress data with informal, formal, and state assessments
- Maintained flexibility and adaptive skills for changing standards, software and technology, and administrative goals
- Built citizenship skills and encouraged independent thought for engaging critically with material
- Managed instructional teams and led professional development sessions
- Explored and implemented innovative use of technology in education
- Completed in-service and additional training to maintain professional growth

2011–Present: Freelance Content Creator

- Produce, record, perform, and edit podcasts and streams, and produce fully rehearsed Shakespeare productions
- Cultivate and manage social media following across four platforms
- Design dynamic and innovative marketing content utilizing stakeholder feedback
- Focus brand messaging on storytelling with positive and inclusive language
- Write compelling copy to engage audiences across multiple interests
- Research and analyze best practices to adapt content, and run promotions, giveaways, and charity drives
- Manage international communities for audience engagement and discourse
- Practice Developmental Change Management to adapt to rapidly shifting theatre landscape, creating performance opportunities for worldwide collaboration through technology and education
