## ABOUT THE SHOW:

Protest too Much is a podcast that pits the host, Stephanie Crugnola, against a different guest each week to battle it out for 'best of's in Shakespeare's canon with the winner in the hands of the audience vote!

The guest brings both arguments to the table, surprising Stephanie with a (typically unfavorable!) character to defend. Can she argue that Hamlet would be the most fun date or 7 year old Mamillius is Shakespeare's best villain?

Silly, thoughtful, clever, and chaotic, Protest too Much brings joy and discovery to Shakespearean discourse.
